Stamford Comprehensive Plan Committee
Minutes for December 30, 2009

In attendance: Beth Adams, Kelly Keck, Nancy Haycock, Deborah Grant, Lorelle Phillips, Harry Nissen, Mike Triolo
Consultant: Nan Stolzenburg

1. Approval of Minutes

The minutes from November 23rd were approved.

2. Research Projects

Nan will look to see who has not yet submitted his/her research project and report next meeting. John Houshmand has resigned from the committee so his sections have not been completed.

3. Survey

The entire meeting was spent discussing and rewriting the survey from the sections that were forwarded to Nan earlier in the month. Nan had pasted together all the sections so we could get some idea of how it would look.

At the end of the meeting, Nan offered to make all the changes, and then re-send the draft survey to everyone. At the January meeting, we will assess these changes, and incorporate Lori Ziek's section which has not yet been submitted. We will also discuss the appropriate order of the sections.
